## EXTERIOR HOME MAINTENANCE

Summer is upon us which means many of you are in full swing of exterior touch ups and aesthetic additions to your home. The Board would like to take this time to remind you that any exterior improvements, changes or modifications require prior architectural approval before any work may begin. For a list of the current paint colors for the association, please visit [www.dunnedwards.com](http://www.dunnedwards.com). Go to Color & Inspiration, Color Ark Pro, enter your city and state and choose Fairfield I. An architectural application is on the reverse side of this newsletter for your convenience.

## LOCAL EVENT

The Sheriff's Department will be hosting a Coppers & Choppers Event on July 29, 2017 from 11:00am-3:00pm at the Sheriff's Department Air Unit (375 Durley Ave. Suite A) on the grounds of the Camarillo Airport. All are welcome to attend this event. This event provides the ability to be hands-on with the different department divisions and services. This includes K-9, Mounty Patrol, Search & Rescue, games and activities for the children.

## POOL RULES

As the weather is warmer and the kids are out of school, the community pool will be seeing lots of action. The Board would like to remind everyone to please be courteous and respectful of other residents that are using the pool and to abide by the current pool rules of the association. Included with your next billing statement is a current copy of rules for your convenience.
